

7th ADVANCED SEMINAR Clinical Cases in Urodynamics

80€
ONLINE ACCESS

A participative experience to enhance your skills and knowledge in Urodynamics.
With **Paul Abrams**, **Jose E. Batista** and **UROCLINICA Team**

COSMOCAIXA, Barcelona, sala ÁGORA
Friday **February 27, 2026**

In collaboration with:

URO CLINICA
Urología, Urodinamia y Formación

"la Caixa" Foundation

Target audience: Professionals working in functional urogynecology Units (urologists, gynecologists, nurses, physiotherapists).
Presentation and discussion of clinical cases; Best Case Award; Updates in diagnosis and treatment.

Presentation

Every year we meet to present and discuss clinical cases – the most dynamic and participative format in functional urology. All professionals are invited to contribute giving solutions, share their experiences and clarify their doubts.

This year, we will present the Award for the best Clinical Case. A high-quality and enriching day guaranteed – we look forward to seeing you!

Simultaneous translation English/Spanish.
